Description:

The Student Leaders curriculum for grades 3 through 5 covers the entire Bible. Students develop an understanding of the history and foundation of God's Word given through Abraham, Isaac, Jacob, and Moses. Students are introduced to Hebraic tradition as they see the connection of their traditions to God's instructions. They better understand the instructions given by Jesus and His disciples. Thematic studies are done including sin and grace, obedience, holiness, and the body as God's temple. Students gain understanding through questions and fun filled activities, puzzles and games. Students learn how to journal.

Goals:

Understand the structure of the Bible.

Demonstrate how to find scriptures.

Identify biblical characters and describe how they obeyed God.

Apply Bible study tools.

Recognize biblical choices.

Requirements:

Complete daily work

Complete all homework

Evaluation:

Student evaluation is done through participation and successful demonstration of concepts through classroom activities.
